

Mobile Researchers' Services (MoRe) | Welcome Questionnaire

The Mobile Researchers' Services (MoRe) offer advice and support to international scientists at TU Braunschweig, major research institutes and at companies in the region. Working in close cooperation with the host institutes, we provide individual advice and practical help on all aspects of your stay in Braunschweig.

In order to make your preparation and arrival as smooth as possible and to enable us to invite you to our events please answer the following questions and send the questionnaire back to us. We will contact you promptly and provide you with all relevant information. Your data will be kept confidential and only be stored within the computer systems of the Research Services. Your data can be deleted by request at any time.
